Equipment for Tellington TTouch Method for Horses

Wand, 4' White Dressage Whip

Lead with 28" chain or Zephyr lead.

The wand and lead are essential items for a training. If you have them, bring them with you. If

you do not have a wand and lead, they will be available for sale at the clinic.

If you have any other TTouch for Horses equipment, i.e., driving lines, Balance Rein, Lindell, or Ace bandages, it would very helpful to have them on hand. Please be sure your items are well marked for easy identification.

Equipment, videos and books will be available for purchase.

Suggested Reading:

Before attending the training, we suggest you read Linda's book, *The Ultimate Training and Behavior Book* and that you view the DVD Solving Riding Problems With TTEAM, From the Ground. If you purchase a second TTouch for Horse video or DVD of your choice prior to the training, you will receive 50% off that video. These items may be purchased on our web site www.ttouch.com or call to place your order at 866-813-8169.
