10. EVERYTHING WE COULD DREAM OF
11. WORTH WAITING FOR!
12. START PLANNING FOR FEBRUARY 2019

We apologize for the reschedule, but Robyn and I are dedicated to continue online Zoom sessions with you with updates and discussions.

We originally planned to be at the La Fonda Hotel where we held our last TTouch conference. However, when we requested that an advanced training would be included at the conference, the La Fonda did not work. They don't allow dogs. Plus, our favorite conference room over-looking the famous St Francis statue was unavailable.

Robyn suggested we look in Las Vegas, thinking the hotels and airfare might be cheaper. However, Kirsten could find no dog friendly hotels in Las Vegas. Plus, we discovered the hotels were not so cheap because of a daily "resort charge."

That's when Kirsten heard, from a friend, of a special conference rate at the Drury Plaza Hotel in Santa Fe which is houses one of my favorite restaurants. The food and service is exceptional, and it's a five-minute walk from the Santa Fe plaza and the world-famous St. Francis statue.

February 2019 is the first date that is available for Robyn and Debby and Lauren and many others who were unable to attend in 2018.

When we discovered all the amenities of the Drury Plaza Hotel, we realized 2019 is worth waiting for: dog-friendly, exceptional room-rate, multiple conference rooms, excellent

location, very friendly staff, free full fresh breakfast, and the evening Kickback gathering that include hot meals with soup and salads and vegetarian choices with free drinks.

We knew we had hit the jackpot. Check out their Kickstart menu on line at <https://www.druryhotels.com/About>

Mark your calendar and plan to join us in 2019 for another brilliant, inspiring, informative, and fun four days of sharing the **Tellington TTouch Techniques, Philosophy, Science, Spiritual Aspects, Updates and New Developments along with the multiple ways TTouch Is being integrated into Other Programs and Modalities.**

And join us in *Changing the world, one TTouch at a time.*

Heart Hugs, Blessings and Aloha,
