Participant Cancellation Policy: For cancellations made more than 30 days in advance of the training, a refund will be given minus a \$100.00 administrative fee. No refunds are given for cancellations made less than 30 days prior to the start of the training, but you may apply this money to another training that must be attended within one year of your cancellation date.

Animals attending the Training: Dogs and/or other companion animals are welcome to accompany you to the training for as many days of the class as you wish, but **you must let us know in advance at the time you register as we have a limit on the number of dogs who can participate.**

If you would like your dog or other animal companion to attend, you will need to register her/him with an Animal Profile form. Online at www.ttouch.com, select *Trainings & Workshops*, then select *Register Your Dog* to print a hard copy of the Animal Profile form. The form should be completed and submitted to us **no later than one month** prior to the start of the training.

You can register more than one dog for the class, but due to space constraints only one dog at a time may participate with you during each day of the training. If there is a question about your animal companion, the instructor will contact you. Assume that your animal may attend unless you are otherwise notified.

If your dog will be attending, bring:

- Crate, x-pen, or at minimum a mat or rug
- Water bowl, food & treats
- Evidence of up to date vaccinations or titer
- Collar with ID tag, lead and any head halter or harness you may be using

Help us maintain good relations with our training facilities and partner hotels by:

- respecting guidelines and restrictions on number and size of animals per participant/per hotel room;
- safely containing your animal when you are not supervising them;
- leaving the facilities and your hotel room as you found them.

Suggested Reading: Before attending your first training we suggest you read Linda Tellington-Jones' book *'Getting in TTouch with Your Dog.'* You may purchase this on the Online Store on our web site: www.ttouch.com or call our shipping department at **866-813-8169** to place your order.

You will be given a binder with training handouts at your first class. You may wish to bring your own notebook as well for taking notes. If you are returning for your second or other continuing session, please bring your original three-ring binder to class.

What to Wear: Comfortable clothing for bending, stretching, occasionally sitting on the floor. **And please note, since the class is being held at a shelter, closed-toe shoes are required.**

Meals: Meals are not included in the tuition. Water, coffee, tea, and light snacks are provided at the training. There is a one-hour break each day for lunch with many nearby options.

If you are traveling to the class: Airport is Austin-Bergstrom International (AUS)

Accommodations: The PAWs Shelter is about 32 miles SOUTHWEST of downtown Austin in Dripping Springs. There are a few hotels nearby – in Dripping Springs, Wimberley and Johnson City. There are also many RV Parks and camping areas nearby. Airbnb is an attractive option with Dripping Spring or Blanco being the closest towns.
