Bringing your own horse to the training: You are welcome to bring your own horse to the training but it is not necessary, as you will still have an opportunity for plenty of hands on work. **If you do want to bring your horse you must let us know in advance and register your horse as soon as possible as horse space is limited so it will be on a first-come basis.** To register your horse online, go to www.ttouch.com, select *Trainings & Workshops*, and then select *Register Your Horse*.

Stabling info:

There are several stalls available on a first-come, first-serve basis.

Boarding costs \$30.00 per night. You are responsible to clean your own stalls and also to feed your horse. You will need to bring your own food. The stall has to be cleaned out before you leave.

If you want the Goose Downs to care for your horse, the boarding fee is \$35 per night.

A negative Coggins test within the last 12 months is required.

Jeffrey suggests that, if you bring your horse to their farm, have them vaccinated for rabies and West Nile.

There is plenty of trailer parking at the ranch.

Please sign up your horse with the Tellington TTouch office **AND** call Jeffrey Ryding at Goosedown Farm phone: 505-466-8771 to sign up your horse and make boarding arrangements.

Weather & Clothing:

The weather in Santa Fe in June and July can be very warm. During the day it may be in the low 90's with relatively little humidity. Evenings and morning are cooler, usually by about 10-15 degrees. Bring plenty of sun block because you are at a higher elevation. Sun glasses, hat, visor, are essential. It is recommended to drink plenty of water throughout the day, so bring a water bottle. We do have use of the indoor arena that will provide shade.

Equipment:

TTouch Wand, a 4' white dressage whip.

TTouch Lead with 28" chain or the TTouch Zephyr lead.

The wand and lead are essential items for a Tellington TTouch training. If you have them, bring them with you. If you do not have a wand and lead, they will be available for sale at the clinic.

If you have any other TTouch equipment, i.e., TTouch driving lines, Balance Rein, Lindell or Ace bandages, it would very helpful to have them on hand.

Please be sure your items are well marked for easy identification.

Equipment, videos and books will be available for purchase.

Required Reading:

Before attending the training we suggest you become acquainted with Linda's new book, The Ultimate Training and Behavior Book and that you view the DVD "Solving Riding Problems With TTEAM, From the Ground." If you purchase a second TTouch DVD (except for Starting a Young Horse) prior to the training, you will receive 50% off that DVD. These items may be purchased on our web site:

www.TellingtonTTouch.com or call the TTouch office to place your order. Phone: 866-813-8169.
