Attendance at a three-day introductory workshop can apply to the requirements for certification as a Tellington TTouch Practitioner. Students attending two three-day workshops will be considered to have completed the first session of the six sessions required for certification, though one six-day session of the ongoing program may separate the two workshops.

Tuition: \$400

A \$300 deposit is due at the time of registration to hold a space in the workshop. The balance is due April 12. Or pay in full by April 7 and get the discounted \$375 tuition!

Please note, if you pay your deposit with a credit card, any balance due will automatically be charged to the same card thirty days before the class start unless you have already paid the tuition in full, or let us know that you wish to use a different method of payment.

Three ways to Register:

- Online at www.ttouch.com select *Trainings & Workshops, Register for an Event*
- Mail a check to our office made payable to Tellington TTouch Training and note the course session in the memo line.
- Call our office to pay with your Visa, MasterCard, American Express, or Discover card

Cancellation Policy: Tellington TTouch Training reserves the right to cancel a session if necessary because of circumstances beyond our control or when enrollment is deemed insufficient. In this case all payments you have made will be refunded – whether deposit only or full tuition amount.

Participant Cancellation Policy: For cancellations made more than 30 days in advance of the training, a refund will be given minus a \$100.00 administrative fee. No refunds are given for cancellations made less than 30 days prior to the start of the training, but you may apply this money to another training that must be attended within one year of your cancellation date.

Animals attending the Training: Because this class will be held at the Austin Animal Shelter, the focus will be on working with the shelter animals - dogs, cats, possibly rabbits and others! There will be limited availability to bring outside animals to the training, so please do consider leaving your own dog at home during this training. If you do wish to bring your dog for a day of class, please call or email our local coordinator, **Marnie Reeder**, in advance to discuss. **512-288-4480** or jasper@sysmatrix.net

If you have spoken with Marnie and she has approved, you will need to register your companion animal with an Animal Profile form. Online at www.ttouch.com, select *Trainings & Workshops*, then select *Register Your Dog*. The Animal Profile form(s) must be completed and submitted to us prior to the start of the training.

If your dog will be attending, bring:

A crate and your dog's favorite comfy bed for being settled

Water bowl, food & treats

Hard copies of current vet records for DHPP and Rabies vaccinations, or titers

Collar with ID tag, lead and any head halter or harness you may be using

Suggested Reading: Before attending your first training we suggest you read Linda Tellington-Jones' book 'Getting in TTouch with Your Dog'. You may purchase this on our web site: www.ttouch.com or call our shipping department at **866-813-8169** to place your order.

You will be given a binder with training handouts at your first class. You may wish to bring your own notebook as well for taking notes. If you are returning for your 2nd or other continuing session, please bring your original 3-ring binder to class.

What to Wear: Comfortable clothing for bending, stretching, occasionally sitting on the floor. **And please note, since the class is being held at a shelter, close-toe shoes are required.**

Meals: Meals are not included in the tuition. Water, coffee, tea, and light snacks are provided. There is a one-hour break each day for lunch. There are few restaurants near the training venue, but there are options for ordering lunches for delivery or pick-up.

If you are traveling to the class: Airport: Austin-Bergstrom International Airport (AUS)

Accommodations: The Austin Animal Center is located only 4 miles north of the airport and there are numerous hotels in the area to choose from. The following listed are only a few suggestions. Anything along Airport Blvd, Hwy 183 S, or East Ben White Blvd (Hwy 71 East) will be close to the training site.

Austin Animal Center runs the largest no-kill animal shelter in the United States, providing shelter to more than 18,000 animals each year and animal protection services to all of Austin and Travis County. The Austin Animal Center is an open-intake facility where lost and surrendered animals from all of Travis County in need of shelter are accepted regardless of age, health, species or breed. The goal of the Austin Animal Center is to place all adoptable animals in forever homes.

Welcome to your Austin Animal Center!

Here's a map that will take you to the hundreds of loving pets who are looking for their forever homes.

If you would like to learn more about an animal, please write down the Animal's ID Number (A123456, for example) and call **512-687-1472** to reserve your spot in line to speak with a customer service representative. You'll receive a call or text message when it's your turn!
