Tellington TTouch Training Cancellation Policy: Tellington TTouch Training reserves the right to cancel a session if necessary because of circumstances beyond our control or when enrollment is deemed insufficient. In this case all deposits, tuitions and the processing fees will be refunded.

We recommend that you purchase flight and hotel insurance for each event for which you register.

Tellington TTouch Training Participant Cancellation Policy: For cancellations made more than 30 days in advance of the training, a refund will be given minus a \$100 administration fee. No refunds are possible for cancellations less than 30 days prior to the start of the training. If you have to cancel, \$300 is nonrefundable but you may apply the rest of the deposit to another training that must be attended within one year of your cancellation date.

Location: The training will be held on private property with a gated roadway, and a horse boarding facility with an outdoor ring, indoor classroom, and a well-ventilated, spacious barn. If you need directions, please contact the local coordinator, **Sandy Rakowitz** (see page 1 for Sandy's contact information).

Bringing Your Own Horse: Participants who wish to bring their own horse must let us know in advance and register as soon as possible since horse space is limited to eight. The venue will also have 3-4 of their own horses for people to work with.

After you have confirmed your horse registration with the TTouch office, you will then need to contact **Tasha Lilly** at the venue in order to reserve stabling. Tasha's contact info is 530-848-7100 or nsilly20@gmail.com.

Vaccination requirements to bring your horse onto the property:

Tasha would like to know if the horses are up to date with the typical 6 vaccinations/year - E/W/T, WNV, Flu/Rhino (see records). If not, this is okay if they have been titered and have an acceptable titer (antibody) level. She will also make exceptions on an individual basis - chronic disease, geriatric, etc.

Stabling/Trailers:

Please note, there will only be room for six horses to be boarded at the property.

- 4 large stalls in the barn with outdoor walk out pen available at \$30/night. Includes 2-hour turn out.
- 2 individual paddocks for pasture board at \$18/day

Boarding price for both stalls and paddocks includes hay, timothy and alfalfa, unless you would need something else.

Payment for stabling is made directly to the venue when you arrive. Tasha has a Venmo account, or can take checks made payable to Full Circle Veterinary Center.

There is room for trailers to come for the day. You may also trailer in with your horse each day.

Other local stabling available: Please contact Sandy Rakowitz.

Meals: Lunch is not included so please plan to bring your own. There is a fridge available.

Equipment:

TTEAM Wand, 4' White Dressage Whip

TTEAM Lead with 28" chain or Zephyr lead.

The wand and lead are essential items for a TTEAM training. If you have them, bring them with you. If you do not have a wand and lead, they will be available for sale at the clinic.

If you have any other TTEAM equipment, i.e., TTEAM driving lines, Balance Rein, Lindell, or ace bandages, it would very helpful to have them on hand. Please be sure your items are well marked for easy identification.

Equipment, videos and books will be available for purchase.

Suggested Reading:

Before attending the training we suggest you read Linda's book, *The Ultimate Training and Behavior Book* and that you view the DVD Solving Riding Problems With TTEAM, From the Ground. If you purchase a second TTEAM video or DVD of your choice prior to the training, you will receive 50% off that video. These items may be purchased on our web site www.ttouch.com or call to place your order at 866-813-8169.
