**Location:** The training will be held on private property with a gated roadway, and a horse boarding facility with an outdoor ring, indoor classroom, and a well-ventilated, spacious barn. If you need directions, please contact the local coordinator, **Sandy Rakowitz** (see page 1 for Sandy's contact information).

**Bringing Your Own Horse:** Participants who wish to bring their own horse must let us know in advance and register as soon as possible since horse space is limited to eight. The venue will also have 3-4 of their own horses for people to work with.

Please confirm your horse registration with the TTouch office and let them know the needs/ stable wishes for your horse. Please call 800-854-8326 or e-mail [Kirsten@ttouch.com](mailto:Kirsten@ttouch.com)

**Vaccination requirements to bring your horse onto the property:**

Tasha would like to know if the horses are up to date with the typical 6 vaccinations/year - E/W/T, WNV, Flu/Rhino (see records). If not, this is okay if they have been titered and have an acceptable titer (antibody) level. She will also make exceptions on an individual basis - chronic disease, geriatric, etc.

**Stabling/Trailers:**

Please note, there will only be room for six horses to be boarded at the property.

- 4 large stalls in the barn with outdoor walk out pen available at \$30/night. Includes 2-hour turn-out.
- 2 individual paddocks for pasture board at \$18/day

Boarding price for both stalls and paddocks includes hay, timothy and alfalfa, unless you would need something else.

Payment for stabling is made directly to the venue when you arrive. Tasha has a Venmo account, or can take checks made payable to Full Circle Veterinary Center.

There is room for trailers to come for the day. You may also trailer in with your horse each day.

Other local stabling available: Please contact Sandy Rakowitz.

**Meals:** Lunch is not included so please plan to bring your own. There is a fridge available.

**Equipment:**

TTEAM Wand, 4' White Dressage Whip

TTEAM Lead with 28" chain or Zephyr lead.

The wand and lead are essential items for a TTEAM training. If you have them, bring them with you. If you do not have a wand and lead, they will be available for sale at the clinic.

If you have any other TTEAM equipment, i.e., TTEAM driving lines, Balance Rein, Lindell, or ace bandages, it would very helpful to have them on hand. Please be sure your items are well marked for easy identification.
